<p> The grand opening of Sunshine Sushi is right around the corner. It will be opening on July 1st at 10 a.m. It is located at 879 Greenrose Ave. SE Jamestown. </p>

<p> This restaurant has been in the works for over a year now and Ken Ming, the owner, is thrilled to finally share it with everyone! “I am so excited to bring our town the first sushi restaurant ever and to give you guys a taste of Japan” stated Ming. The mayor of the city was able to get the first taste of Mings sushi and said “I’ve never tasted anything like it! It’s so tasty and fresh!” </p>

<p> One thing Ming is proud of is his prices. He knows that not everyone can afford a good meal out and he wanted to ensure that everyone would be able to try his sushi. Every meal is under \$10. To make the grand opening even more special and exciting, Ming is doing half off for the first day. So, on July 1st plan to come to Sunshine Sushi for breakfast, lunch, or dinner! </p>
